AMBASSADOR'S MESSAGE

JOHN DYER OAM

As I prepare this Report we have entered a Challenge of Change time, a period when this marvellous game of International Football is facing immense restructuring in Australia and especially South Australia.

A recent meeting of Club representatives agreed in a democratic process to form a new body, the United Clubs of South Australia, to control our State activities and they acknowledged the former Commissioners for their contribution to the Federation.

The new structure, formed to compliment the Football Federation of Australia, has major management challenges to meet the criteria laid down.

Our State is unique in many respects when compared to other States and sporting codes, when viewed in context with the National scene we are looked upon as small operators, totally incorrect of course when looking at competitive results, it is part of the 'Big Brother' complexities.

Our new management committee with Tony McEntegart as Chairman have to accept that Challenge of Change that has been issued and it is up to all of our Football fraternity to give support so that we do not get lost in that National structure being evolved.

We must at all times push our own barrow and present solid arrangements to maintain a dominant presence.

I believe that all organisations have a responsibility to lay down a substantial foundation to base their operations on and historically this has proven to be the requirement of management structuring.

As one who has been involved with numerous management bodies over many years, I have been impressed with the loyalty and commitment of our Commissioners and staff and the trust that they developed.

The official Year Book chronicles the annual report of our sport. Over the years history is recorded annually, in support of our honoured historian, Denis Harlow, I would put out a plea to those responsible for the Stadium precinct to make available a building to house valuable memorabilia that could be lost if not housed in a Museum complex. I have approached major supporters who have indicated support in restructuring and refurbishment of such a Museum. We cannot afford to lose such valuable offers and also the unique guidance of Denis Harlow. What are we waiting for? We have a change of direction – on behalf of Denis, I offer this challenge.

May I offer my sincere acknowledgement of our previous Board of the Federation for their stewardship. Congratulations to the new Committee and wish them well in their endeavours on our behalf.

I recognise the dedicated rule over fourteen years of our Chief Executive Officer, Tony Farrugia, and the support of his loyal staff.

Our many sponsors have again helped our game to prominence and may 2005 be one of success for them.

Again our successful Adelaide United is the flagship to promote our State and our family game of International Football.

Remember at all times the game is more important than the individual.

Thank you for allowing me to serve.

GENERAL MANAGER'S REPORT

TONY FARRUGIA

It is with a tinge of sadness that I prepare this, my final report after holding the position as General Manager with the South Australian Soccer Federation since 1991.

Sadness? Yes. Regrets? Definitely not.

During my tenure of fourteen years we have seen our sport grow in stature and respect and while we have failed to achieve some of the challenges placed before us (unification of all bodies) during this time lots has been accomplished which will have long term benefits for the game.

Back in 1991, SA Soccer was operated from a dingy little office under the old Grandstand, where one would trip over the carpet, or, on a stormy day, be flooded out. Today we can boast Administration offices which are second to none in Australian Soccer.

Speaking of the old Grandstand – and dust bowl of the "Old" Hindmarsh – look now. We have a world class stadium, all seater for over 15,000 people. Remember the old "White Elephant" tag? Well the Olympic Games and another success born from the SASF (Adelaide United) not only showed what a great investment Hindmarsh was for our State but also exposed its inadequacies when we couldn't get enough people into it!! Interesting?

But what is even more ironic is, that those very people that branded Hindmarsh as a white elephant, are the very same people that now sing its praises and are the first to line up for tickets to National and International matches.

What was a highlight in my 14 years here was also the biggest nightmare that I had to endure – just listening to people "bag" the project, then the unwarranted bad press it received, followed closely by the calling of the Auditor General's Report (which told us everything that we already

knew!), and then came the sacrificial lamb – the public slaughter of the person who drove the project.

Still, here we are today with an International Stadium which hopefully will continue to attract large crowds for National and International matches. I am certainly very proud to have had a key role in its development and leave it as a legacy to the South Australian Soccer Community.

I have always maintained that without a sound and vibrant National League Club then the Game and the Federation would go nowhere fast. That was the motivating factor behind the Board and Staff in September 2003 to pull all stops out to ensure that we had a team on the park at Hindmarsh. And boy, was that the right decision! At last we had a team to follow – the **People's Team**. While the project would not have got off the ground without the funding from the Pickard Group, it certainly wouldn't have happened without the dedication, support and determination of the SASF and its 24 member Clubs.

While the Club will take on a different focus in 2005 we are assured that it will remain the "People's Team". The formation of Adelaide United in just six weeks, and the success it endured in its first season was the highlight of my 30 year career in Sports Administration.

Our Premier and State League competitions continue to improve in standard as we "lift the bar" into a new era. Our Junior Competitions have never been stronger. Fourteen years ago some Clubs were struggling to field ONE Junior Team. Today the very same clubs are actually turning players away due to lack of grounds and facilities.

In 1997 we hosted our first Japanese Training Camp and have continued to do so ever since. This has allowed the Federation to develop a strong affinity with Japanese Football Clubs and Associations. It has also provided substantial income over the years, both to the Federation and the South Australian Economy.

To the staff of the Federation who have remained so loyal over my fourteen years. This was truly a team effort. When one looks at the total years of service accumulated between all the staff – you will realise just why we are all so close and worked together so well as a team. Thanks to Jo, Pam, Carlos, Craig F, Alex, Richie, Greg, Martyn C, Sean, Matt C, Wendy, Andrea, Dennis, Martin H, John G, Katie, Belinda, Chris H, Peter, Michael W, Rodger, Monique, Craig W, Aaron, Fiona, Dallas, Beth, Emma, John M, Ryan, Monika, Matt S, Andrew, Carl, Chris T, Lia, Jeff and of course Luki! You have all made my 14 years with the Federation "special" in some way.

During this time I have also made some great friends – too many to mention so to you all - thank you so much for your friendship and hope it will continue. In particular I would like to make special mention of Charlie Caruso – who was Chairman

from 1991 – 1995 and has remained a great mentor. Basil Scarsella has been the prime reason that I have lasted the distance, while Tony Henshaw always supported me through thick and thin. To them, and all members who served on the Board during my time – thanks for your support.

And so the game will now enter into a new era – one which promises so much to bring it to prominence. Frank Lowy promised change. And change is now being delivered in big "lumps". Only those who are afraid of change will resist it. Embrace the change and make it work.

There is an old saying that the only people that will continually criticize are those who have done nothing themselves. What Lowy and O'Neill are doing is delivering their mandate and they are absolutely on the right track in delivery.

Finally, I would like to acknowledge my wife Donna and daughter Kristin who have stood by me throughout my career. Maybe now I will get to spend a little more time with them. Me? On with the next challenge – but I can assure you that I will always hold this game and all it stands for, and those who are a part of it, close to my heart.

The Whyalla Soccer Associations 2004 season started on the 6th March, with Steel Utd and Croatia playing out a one all draw for the John Bradbury charity shield. In the Westlands Jewellers League Championship Lions won the coveted trophy for the first time since 1982, of the twenty games played they lost only one and scored 100 goals over the season. Defending champions Steel Utd finished second from perennial champions Croatia, while Wanderers, Westlands and Port Lincoln filled the remaining three places.

In the Reserve grade championship Steel Utd, who finished second bottom in 2003, won the 2004 flag from Lions thanks to veteran player Phil Cash who scored 54 goals in twenty games. Croatia, Wanderers, Port Lincoln and Westland Utd finished, third, fourth, fifth and sixth respectively.

In the League Cup the Association, WSA, renamed the trophy in the name of Alan Walker, who died during the season, Walker was instrumental in forming Westlands Utd Soccer Club in the nineteen seventies and amongst emotional scenes Westlands Utd won the

OFFICE FOR
RECREATION & SPORT

The past year has definitely been a learning curve for all the Board members and especially for myself and other first time Board members. It hasn't been a particularly easy time and on reflection, the Board has performed very well. I would sincerely like to thank all the Board members for their commitment, efforts, time and dedication over the past twelve months.

The financial position of the league is healthy with a bottom line profit for the trading year of \$28,000. Although it is a good result and an improvement on the previous year, we should not get too carried away with the result as we have a number of projects to undertake in 2005.

2004 has been successful for a number of reasons especially with the success of the select squads, the growth of juniors and the female league, selection of players for state squads, the reinvigoration of the development program, the Associations entry into the U/23 Federation Cup after a long absence from the competition and the possibility of securing our own ground etc.

This continued success does not just happen and a number of people have contributed to the success over a number of years and we thank them for their involvement.

Special mention must be made of the SA Soccer Hall of Fame award that was presented to Mr Vic Gentile for his tireless efforts to soccer over a number of decades. It is a richly deserved award.

The production of our business plan for the coming three years will put the Association in a strong position to address the issues in a planned and methodical manner.

By the beginning of 2005, the WBSA should have its web based management program Soccer 2 Win up and running. This will make life a lot easier on a number of fronts including communication, player registration, up to date tables, minutes etc.

2005 looks to be an exciting year and if our plans come to fruition the league and the clubs will greatly benefit.

In 2004 the Western Border Girl's and Women's Soccer League (WBG&WSL) took another step in it's development. With two come and try sessions and a SAWSA coaching clinic the league took shape hopefully for seasons to come. The four teams – Villa, Palace, City and United – paced each other over the season with City being crowned league champions. United won the Inaugural pre-season carnival that saw Wendy Carter and Bec Morrison handing out the winners trophy.

Other highlights of the year were the outstanding

performances of the U16 and U13 WBSA Select teams that competed in the State and Country Championships. The U16 Girls won the State Championship and the U13 Girls won the Country Championship. The WBSA were also invited to represent the Country Region in the Zone Championships over the October long weekend and showed that "football" in this region is a fast developing sport.

With approximately 80 Girls and Women registered the future of the league in the South East remains promising.

Goalkick

In the third year of the Goalkick Program Cumberland, Enfield, White City and Goodwood primary school have run Goalkick Centres.

The benefits of the Goalkick program have so far not been fully recognised in our state. Victoria has over a 100 Centres building a huge foundation and fantastic introduction to and for the game of soccer for boys and girls between the ages of 5 – 8.

Interest will certainly be on clubs that are the forerunners to this program with their player's results and ongoing development.

Antoinette Cristarella, Rada Sofranic, Michael Canavale, Tony Roach, Alan Morris, Andrew Popovich and Ray Dixon have all played an important role in the delivery of this structured program, giving young boys and girls an opportunity to have fun and learn how to play soccer.

School Clinics

With the emergence of Adelaide United the interest in the game has taken a further leap forward.

Young players are enjoying the game in record numbers and the demand for school clinics is increasing.

This year we held a record number of clinics and the Federation was well served with a dedicated staff of coaches.

Development officers Lia Augimeri, South Australian Women's Soccer Association and Richie Alagich, SASF, along with Daniel Paterson, Kristian Rees, Louisa Marsoto, Dianne Alagich, Ninita Burgess, Kelly Doyle, Geoff Hargreaves, Bess Hepworth, Leanne Hollit have been delivering these ever popular clinics which have been attended by over 28,000 school children.

The benefit of having high profile Adelaide United players in the group was a great bonus and Adelaide United player of the year Richie Alagich was always a popular instructor.

The Federation continues to be associated with elite programs at designated schools. The successful focus program at the North Ingle Primary continues to grow and we have introduced a further program at the West Lake Shore primary.

North Ingle was run by Rod Del Nido with great support from Chris Terpcou, Sam Miskelly and Richie Alagich. The squad this year was-

Nathan Andijanto, Ben Cuell, Shaun Dowling, Russell Pomery, Braden Inman, Nathaniel McKechnie, Martin Lofthouse, Brett Vingerhoets, Jaimee Clayton, Garick Willey, Joshua Hooper, Alexi Kosteriadis, Chris Graham, Scott Harrison, James Parker and Alex Winter.

The West Lake program was primarily run by Richie Alagich. West lakes Shore Squad Stefan Maricic, Andrew Donaldson, Milos Jovic, Tomas Maricic, Evan Letinic, Adrian Fratamico, Dion Georgiou, Matthew Bouzalas, Luke Santucci, Luke Di Salvio, Nicholas Mavromatis, Jonathon Graham, Morgan Fletcher, P.J.Stevanovic, Rory Owen, Josh Gniadek.

Goalkeeping Clinics

The demand for the goalkeeping clinics continues to grow. Chris Terpcou was the instructor on the courses, which were held at the Parks Community Centre.

There are very few keeper coaches in the state and it is always difficult for young aspiring players to gain adequate instruction. We will continue to strive toward more opportunities for our players and coaches to improve their knowledge in this vital area of the game.

Coerver

Coerver Academies took on a new look and have been slotted into a summer program between October 2004 and March 2005 at the Parks Community Centre. Bruce Farquhar and Domenic Quagliarella are in charge of the three squads Under 10's Apprentice, Under 11's Professional and Under 12's Professional. The enthusiasm and extremely high standard of players in this years squads has made the change of timing already successful. Players are able to work and concentrate on skill development without the pressure of an end of week game.

Seven SA boys were selected for the Coerver Oceania Squads.

James Parker	aged 10	Adelaide City
Billy Ducker	aged 11	Raiders
Joseph Costa	aged 12	Adelaide City
Kosta Mantis	aged 13	Adelaide Olympic
Braden Inman	aged 13	Modbury
Jackson Groves	aged 13	Blue Eagles
Ivan Kostopolous	aged 14	Adelaide Olympic

These players were part of the Coerver Academy Squad who participated at the Coerver Cup in NSW/QLD, January 2004.

The Coerver Cup involved Coerver Academy players from each State to compete against each other. After a week of competition, squads were selected by a panel of National Coaches to represent Australia for the Coerver Oceania Tour.

The seven players selected for the Coerver Oceania Squads (which is also known as the Coerver Australia Squad) are aged between 10-14 years old. These players went overseas and participated against other Coerver Nations. The Under 10's toured around Australia, while the Under 11/12 age groups visited Japan/China, and finally the Under 13/14 age group played matches in Spain and France.

The Coerver Coaching method has allowed these 7 players the opportunity to represent Australia to experience and play overseas at such a tender age.

Clinics were held again during the school holidays and Instructors Bruce Farquhare and Richie Alagich enjoyed coaching the skills of Coerver.

Coaching Courses

This year the department ran a record number of courses. Fourteen Junior, two Youth, two Senior and one Goalkeeping course were presented. Unfortunately the proposed State Licence was postponed until November 2005.

Country regions were served with Junior Licences held in both the Western Border and Whyalla areas.

Zoran Maricic ran courses at all levels and was a valuable contributor to the programs. Chris Terpcou worked in presenting Junior Licences and goalkeeper components on the other levels.

Country courses were run by Bob Rogers in Whyalla and Jeff Napier in Mount Gambier. The senior licences were of excellent quality with head presenter Zoran Maricic joined by guests Noel Clarke, Elvis Markov and Martyn Crook.

The fitness for soccer component was run by SASI sports science Greg Roswell.

Regional Coaching

In recent years the Federation has run regional coaching programs to assist the development of coaches in the club environment. Initially four coaches were appointed to areas around the metropolitan and country areas.

However the program has suffered from the economic climate and we have been forced to limit the program to one person.

Sam Miskelly has battled to bring the program to as many clubs as possible while also working on assessments of coaching course candidates.

Sam has done a great job under difficult circumstances and his work is appreciated by the Federation.

Development Squads

For the first time the Federation included academies in the Under 11 and 12 age groups and these academies proved very popular. The under 11 group was coached by Rod Del Nido and the Under 12 by Peter Cristarella.

The Under 13 and 14 squads were coached by Elvis Markov and his expertise and experience was of great value to the boys.

The Under 13 squad played in the Capital Cup in Canberra and gained a great deal from the experience.

The Under 14 group toured England and experienced many aspects of the game. They played games against high quality teams including Liverpool, and Manchester United as well as visiting academies and Premier league matches.

Review

2004 has been another year of growth for the department all programs experienced increased participation except the GoalKick program.

3rd Row (L-R): Michael Doyle, Ryan McGowan, Todd Blacksell, Dion Pannell, Alex Sunasky (Captain).
2nd Row (L-R): Vic Sheppard (Trainer), John Brannigan (Manager), Matthew Cock (Vice Captain), Kon Tsacos (GK), Sasha Trbovic (GK), Evan Emmanuel, Noel Clarke (Coach).
1st Row (L-R): Fortunato Filetti, Hayden Doyle, Matthew Bekirovski, Paul Marino, Wade Dingle, Byron O'Reilly, Dominic Matricciani.

The staff has worked under difficult conditions endeavouring to deliver quality programs.

Many thanks go to all who have participated in the programs.

Special mention goes to Administration Manager Chris Terpcou who dedicated himself to the growth of the game in this State. Chris has recently left the Federation to pursue a career overseas - he is doing well in the development area with the Newcastle United Football Club in the community program in the North East of England. It is testament to his abilities as a coach that he has been able to secure such a position and also reflects well on the coach education program in this state. We all wish Chris and his family the best of luck in his career.

Into the brink stepped Jeff Napier after a stint in the South East of the state. Jeff has quickly settled in and is working strongly in the department.

Thanks also to Richie Alagich and Lia Augimeri and all who have participated in the schools program.

To the staff of all the development programs for their professional dedication in the area of elite player development

To Sam Miskelly for his work as the Regional Coach and to all who contributed to the courses.

Thanks to the Management and Staff of the Federation and to Commissioner Pat Bosco and finally a special mention to Jim and Connie Selby from the Australian Soccer Association for their vital assistance with our programs.

Day 3	v Northern NSW	2-3	Filetti-Emmanuel
Day 4	v Northern Territory	2-0	Blacksell-Bekirovski
Day 5	v Queensland	0-2	

In game one they faced the talented ACT squad and they went ahead early in the game but we equalised soon after and appeared well in control

of the game. ACT scored against the run of play midway through the second half and while we were still recovering they struck again. The game took a dramatic turn in the closing minutes when we launched a final assault and pulled back two goals. The second day saw a draw with Country Victoria in a game we totally dominated but failed to convert chances. The fact that we hit the woodwork four times sums up our luck on the day.

The NNSW game was the turning point of the tournament, we appeared to be cruising in the first half and went one goal up early. NNSW equalised with a free kick right on the stroke of half time but we looked easily the best side and a win looked inevitable. Unfortunately two disastrous errors early in the second half put NNSW 3-1 ahead. We scored again to get back in the game but could not get the extra goal needed.

Day four saw a comfortable 2-0 win against Northern Territory but the team failed to play with fluency. On the final day of the group stage we needed to overcome the strong Queensland team to qualify for the semi finals. We started well and looked comfortable against clearly the best team in the competition. However they settled into their stride as the first half wore on and they scored twice in quick succession to hold a comfortable half time lead. We held them in the second half and occasionally looked threatening but we were unable to peg back the lead.

The playoff games were called off due to flooded pitches.

Overview

Their early form was good and the key players in the group were performing well, missed chances cost them dearly in both the opening games. As the week drew to its close, the team was less effective and the key players dropped off and this led to a disappointing end.

Even though one man does not make a team Matthew Mullen would have made a huge difference. His power and control of the midfield was sorely missed. The decision to promote him to the under 16 age group was proved correct with his inclusion in the national squad.

The team possesses a sound defence with Mick Doyle and Emmanuel the lynch pins. Alex Sunasky was the most effective midfielder. Matthew Cock worked well as a striker, Todd Blacksell was always a threat from midfield and Fortunato Filetti worked hard during the week.

Noel Clarke did a good job organising the group but there were too many disappointing players to threaten the best teams. Players such as Paul Marino and Ryan McGowan have real potential and should have learnt a lot from this experience.

We left for Sydney facing a tough task in the group of death. Day one saw an excellent performance against Victoria in a high standard game which ended 2-2 with SA twice in the lead.

Day 1	v Victoria	2-2	Gannon-Mullen
Day 2	v Queensland	0-3	
Day 3	v ACT	2-2	Mullen 2
Day 4	v Queensland Country	1-1	TOG
Day 5	v Country Victoria	4-1	Allwright 3-Hughes

Day two saw us matched with the strong Queensland outfit and despite the final score line of 3-0 it was a tight game.

The following day we squandered four clear 1v1's with the keeper before having to settle with a draw with ACT.

On Day 4 we needed to beat Country Queensland to advance to the semi finals, we went behind to an early goal before equalising before half time. The second half was a tense game in which we dominated possession but failed to score the goal required to break the deadlock.

On the final day of the group stage we easily defeated Country Victoria 4-1.

Overview

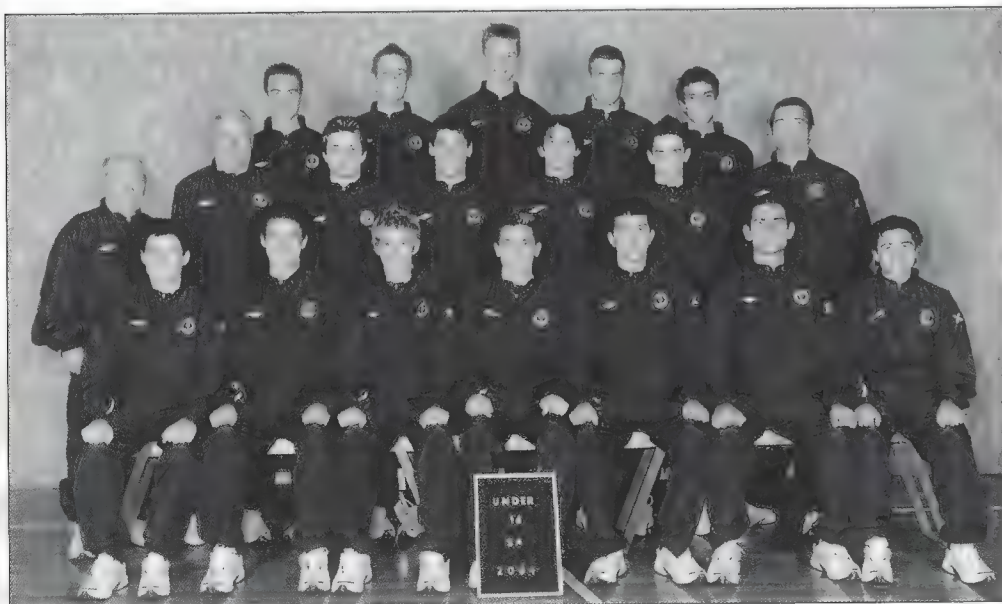

The team was well organised and enjoyed long periods of possession. In too many of the games we missed good chances only to concede soft goals at the other end.

We dominated the midfield with Mullen and Weidenbach strong and skilful; Mullen topped a great week with two excellent goals against ACT. Danny Hain was solid in defence and Joel Allwright was always a danger in attack. Goalkeeper Nigel Young also had a good week.

The team needed to play at it's best to reach the semi finals and fell short of that aim. At the end of the week national coach Ange Postecoglou named Scott Weidenbach, Matthew Mullen and Joel Allwright in the 22 players he selected from the week. This is a great result especially for Matthew Mullen who is still only in the under 15 age group.

Coach Keith Rowling did a top job preparing the team and although we are disappointed with the final finish the team performed with good quality and style of play.

NTC/SASI Coach — Martyn Crook

SASI 2004 began with the youngest squad on record. The success of having six players selected to the AIS squad meant that the squad was left with no players above the Under 16 age group.

On the national scene SASI had three players in the first squad for the Under 17 national team. Scott Weidenbach, Joel Allwright and Scott Hughes were included in a camp held in Canberra during April.

Following this camp and the National Championships, Coach Ange Postecoglou named a twenty-player squad to tour USA in December. Scott Weidenbach and Matthew Mullen were selected for the tour, with Joel Allwright named as emergency. The selection of Matthew Mullen was particularly memorable as he is one year younger than the squad average.

On the local front the team struggled for results in the Under 23 league. The players showed considerable improvement during the year and despite their youth were consistently competitive.

Matthew Mullen won both the Player of the Year and Most Improved, while Danny Hain was voted as the Players Player of the Year.

Pasquale Barbaro was awarded the Charlie Caruso medal for the Under 23 Player of the Year, he became the fifth SASI player to win the award.

During the year the players received lectures in Nutrition and Time Management and made full use of the excellent facilities at the Institute, including a newly laid pitch, weights room, gym, sports stadium, sand courts and recovery centre.

During the year, National Youth coach Ange

Postecoglou, ASA Technical director Ron Smith and Adelaide United coach John Kosmina all visited the program.

For the first time, SA country players were added to the squad. Nigel Young from Port Pirie and Todd Blacksell from the Riverland relocated to Adelaide and took up full time scholarships. The two boys both attend Underdale High School and lived in digs for the year. Credit must go to the two boys for their endeavours and thanks to all who supported them.

In August the group visited New Zealand for the series of matches against a National Under 16 squad. Despite losing the opening game 1-0 the team won all other games including a 7-1 win in the final game. The tour was a great success allowing the players the opportunity to pit their skills against the leading contenders in the Oceania Region.

This year the program was well served by a dedicated staff. Assistant coaches Noel Clarke and Keith Rowling were invaluable and the close link between the SASI program and the SASF development squads was maintained with the pair doubling as the Under 15 and 16 State coaches respectively.

Goalkeeper coach Chris Simpson continued his top work, with the keepers continuing their steady improvement.

Injuries were kept to a minimum with the great work of Joe Foley who continues to prosper from the SASI environment. Joe's work with the injured players has meant quick recoveries and less time away from the field.

Manager Phil Graham took over from veteran John Brannigan and contributed greatly to the smooth running of the program.

Thanks to all the staff for a great year.

The development of SASF players and coach's benefit from the links with the SASI program.

The excellent work of Elvis Markov is continuing with several of his development squad joining the new SASI intake.

The program is a partnership between the SASF and the SASI organisations. We thank both groups for their support during the year.

In particular SASI CEO, Wes Battams and Program Managers, Gary Carlson and Val Beddoe. Administration Manager, Daniel Cowley, Performance Analysis, Tim Rawling, Mary Heslop and Ben Duff, Sports Science, Greg Rowsell, ACE Coordinator, Brendan Tambo and Strength and Conditioning, Craig Colduck.

To the SASF for their backing of the program - to

Chairman Tony Henshaw and the Board of Commissioners especially Arthur DiFede and Pat Bosco.

General Manager, Tony Farrugia and the staff at the Federation in particular Chris Terpcou, Jeff Napier and Richie Alagich from the Coaching and Development department. Also thanks to the Clubs for their continued support of the program.

The SASI organisation has continued to work tirelessly to support the game in this state, its contribution to the development of players and coaches is underestimated. The organisation continues to support a close link with the development squads and supports coach education programs with scholarships and resources to the SASF courses.

On behalf of the soccer public I thank SASI for their on going commitment to the sport.

SOCCER SA REFEREES — FEDERATION BRANCH INC

Referee Recruitment & Development Report

Referee Recruitment & Development Officer – Steve Gregan

I commenced at the office on the 18th May 2004 and my induction involved a detailed meeting with the organising body for the upcoming Oceania Football Confederations Nations Cup due to commence in a matter of days. A little unclear of my duties and responsibilities it became apparent I would be the Liaison officer for the match officials for the tournament - a grand sum of 30 which included referees, inspectors and commissioners for Europe, New Zealand and the Islands.

Given sets of keys to several vehicles and an airport arrival list, our group of fellow referees took on the task. This ten day induction experience certainly opened my eyes to the soccer scene in Adelaide.

The initial welcome to the role did vary from much appreciated to a small area of non committal but this is to be expected in a new role. I turned on the charm and humour to break the ice. The Adelaide soccer community did appreciate a Referee person at Head office after a five month absence.

Referees as at May 2004

Early investigations from our States Referees Branches, Federation, JPL, Amateur, Adelaide Hills, Elizabeth, Noarlunga, Broken Hill, Western Borders, Port Pirie, Riverland, Port Lincoln and Mildura gave me a number of **267** only active members involved in an established Branch.

North West, Southern Districts & Whyalla are a hidden pocket within SA still to be included in this overall figure. This matter will be included in the list of challenges.

Branches Federation & SA Amateurs are the only Associations that can boast a regular Referees Coach. Remaining branches rely on assistance from senior members and visits for our State Coach, Bill Tattersall.

Referee development lacks the usual manpower to ensure the continual improvement process. Only Federation Branch Referees are able to undertake in the National Development Schedule.

This schedule needs to be accepted by all Referees Branches that have serious concern for Referee Development.

Recruitment

Introductory Referees Courses commenced in June at the Federation office. A few phone calls and some advertising brought this first group together.

From the twelve participants, 5 joined the Federation Branch, 4 the JPL Branch and 1 person joined the Elizabeth & Districts. This was a pleasing start and gave me the confidence to continue.

Courses continued on a by monthly basis until December. A school holiday workshop in September and two regional visits proved very successful.

All three major Universities were contacted in an attempt to attract soccer loving students looking to earn some additional income.

A large mail out and phone calls to schools and clubs advising that a Referee Recruitment & Development Officer exists from within the South Australian Soccer Federation.

Advertising for Referees for the 2005 season commenced in September through the SASF website. Newspaper, Radio & Television (CH31) are other sources to be considered in the future.

As at 1st December **107** students have successfully completed the Introductory Course. This figure covers regional trips to the Riverland and Mt Gambier where 45 attended. A new recruits coaching and information evening is scheduled for early December in attempt to attract new members to the Branches for season 2005.

Opportunities for Improvement

Establish an effective Referees Standing Committee (RSC) and a fully focused Referee Commissioner who will represent the Referees of SA both State and Nationally.

The RSC will operate as a working group of administrators with the aim to improve the perception of the referees within the State.

A State wide Referees data base should be set up at Head office under the guidance of the Referees Administration Manager. The Data Base will give the state an accurate number of active qualified referees, consistent development programmes and sponsorship deals can be established.

The thought of a Referees Academy incorporating talent identification and acceleration programmes just need a kick start to establish. This would enable inspiring referees to look at the career options.

With a bright football future ahead in 2005, we administrators from all sectors of the game need to work closer together and in harmony for "The Good of the Game".

Continuing National and International Success

In early 2004 Airlie Keen, Assistant Referee, officiated at her sixth Australia Cup. This was followed by her appointment to the Asian Olympic Women's Football Qualifiers held in Japan. The Australian team of officials was honoured and recognised with the appointment to an historic semi-final with victory to Japan over the favoured DPR Korea (North Korea) in

front of the biggest crowd ever seen in Japan for women's soccer - over 30,000. This was played at Japan's National Stadium in Tokyo. Airlie was then appointed to the final of the tournament held at The Big Arch Stadium, Hiroshima, where both teams - Japan and China - qualified for the Olympic Games. She was honoured to work with the top female referee in AFC, IM Eun Ju from Korea Republic.

Airlie's year climaxed with her appointment to the Athens Olympics as an AR in the Women's Football tournament. She and her Australian colleagues Krys Szokolai [Ref] and Jacque LeLeu [AR] impressed the FIFA inspectors in their first game, Germany v Mexico and then capped off their duties by officiating at an Olympic semi final between two powerhouses of women's soccer: USA and Germany. The USA went on to win the tournament.

Matthew Cream, Assistant Referee, was part of a three person Australian team to officiate at the FIFA Under 20 World Cup held in the United Arab Emirates in November 2003. The team's high level performance was rewarded by their appointment to the 3rd versus 4th playoff [Colombia v Argentina] in front of 55,000 fans. He worked with referee Matthew Breeze and assistant referee Nathan Gibson, both from NSW. After a two day seminar the compulsory fitness tests were completed and they received their first appointment: Saudi Arabia v Ireland in Al-Ain. They travelled to Dubai for the Japan v Colombia game, followed a few days later by the USA v Korea game.

In 2004 Matthew's first FIFA appointment was at the Australia v Turkey game in Melbourne's Telstra Dome. This was quickly followed by his trip to Japan for the 2004 Kirin Cup Soccer and an international under 23 game. As part of a team of Australian officials he officiated Japan's National Team in their match against Slovakia at the Hiroshima Big Arch Stadium [July 9]. They were then in charge of the Japan v Serbia and Montenegro game played at the Yokohama International Stadium [July 13]. Their third game was played in Aichi's Toyota Stadium where the

Olympic teams from Japan and Tunisia warmed up for the August Olympics.

In the men's National Soccer League Craig Zetter [referee], Paul Cetrangolo, Matthew Cream, Craig Dunkin and Sam Hasic [Assistant Referees], John Marciniak and Jim Rossis [Referee Inspectors] provided skilled services to the game. In the women's NSL Airlie Keen, Marco Fischetto and Nelson Galdamez [referees], Lee Corey, Peter Chapman and Mark Michael [Assistant Referees] and John Tarling [Referee Inspector] expertly supported the competition.

South Australia was represented at the youth championships in Sydney by Lee Corey [girls] and Peter Chapman and Dashiell Lawrence [boys], Lee was also invited to the Queensland championships. Her colleagues in the Federation Branch contributed to her airfare - thank you for your valuable support.

The SASF supported an interstate referee exchange, the first of what I hope becomes a regular feature. Sam Hasic travelled to Victoria to control a Victorian Premier League fixture and receive coaching from senior colleagues interstate, a rare opportunity. We hosted a Victorian referee [Lewis Giuseffi] to complete the exchange.

National and State Developments

It is now a year since the Australian Soccer Association [ASA] replaced Soccer Australia. Promises of rapid and major structural changes and new national and state constitutions have not yet become reality. The anticipated Referee Standing Committees [National and State] seem as far off as ever, ASA clearly giving top priority to Australia's qualification for the 2006 FIFA World Cup.

Referees have been denied a National Coach for three years, relying on voluntary part time coaches.

The expected 2004 Annual Meeting of the national Referee Commission [NRC] did not eventuate, though the group elected in March 2003 has been able to continue to advise the ASA. The National Coaching Panel [NCP - comprising national, state and regional coaches] met in

September/October 2004 and continues to provide direction for match officials in Australia. Approval was given to the revised or new referee and inspector education courses prepared during 2003/4 by a working party comprising Alan Kibbler [Queensland State Referee Coach], Barry Such [Acting National Referee Coach] and me.

At the State level the informal, but potentially valuable, State Referee Commission went into 'recess', leaving match officials and their Associations without a representative group. These associations now operate almost in isolation from each other, with the exception of the materials and coaching made available to them by the State Coach.

The Referee Recruitment and Development Officer [RR & DO] position remained unfilled until mid May 2004 when Steve Gregan was appointed to the position.

Match Official Qualifications

The ASA referee and referee inspector courses are the only recognised and accredited match official courses in Australia. The ASA *Introductory Course* is taught under the authority of the State Coach. In SA the RR & DO plays a major role in identifying candidates and teaching this course. You are encouraged to contact Steve Gregan at the SASF for course details and support with referee recruitment.

The qualification levels and associated game standards for referees are:

- Level 5: Junior
- Level 4: Junior to adolescent
- Level 3: Junior to lower level adult
- Level 2: Junior to equivalent of senior State League
- Level 1: Junior to equivalent of State Premier League

Appointment to FIFA and/or NSL panels is beyond the scope of the ASA qualifications and is current for only one season, but may be renewed.

Referee Inspector classifications are:

- Level 3: Basic [coaching/monitoring – no written reports required]
- Level 2: Advanced [formal reporting - junior to adult games]
- Level 3: Senior [formal reporting - junior to elite games]

South Australian Issues

Coaching invitations were accepted from the Adelaide Hills Junior Soccer Association referees, Elizabeth and District Referees, and SRA Noarlunga Referees during the year.

The JPL Referees' group continues to grow. Membership has now reached 27 and continues to be encouraged and coached by Petros Katsiokalis.

Both the SASF and the SAWSA provided very well attended forums at the beginning of the year to discuss law changes and interpretations. This was a welcome initiative and hopefully will continue.

A revival of a referees' group in the South East of SA is also welcomed. The RR & DO and the State Coach are making arrangements to visit the area at the end of 2004.

Federation Branch

Membership remained relatively low throughout 2004 making it impossible to fulfil all

appointments for the SASF, SAWSA and Collegiate leagues.

The position improved in the latter part of the season but it was still not possible to provide three officials for all Under 19 and 23 SASF fixtures. Welcome assistance was again received from members of SRA Noarlunga and Adelaide Hills in particular, for which we are grateful.

The new *National Grading Schedule* referee promotion courses have been trialled in SA this year. Strong progress is being made by Marco Fischetto [seeking promotion to Level 1], and by Level 2 candidates Peter Chapman, Dashiell Lawrence, Mark Michael and Dean Paulauskas.

Match Official Development

My previous report highlighted the critical need for more female and male match officials able to work at all levels of football. Whilst reviewing the referee courses at its recent meetings the NCP also highlighted the potential shortage by 2010 of officials able to work at FIFA and NSL level, as well as at lower levels. This is not a problem solely for the referees to address: the code as a whole, all of its major stakeholders, must recognise the crisis we face and initiate well funded and resourced development programs. A long term approach is necessary to preserve the strength and reputation of our game. Failure to do so will have massive negative impact on the game.

J-LEAGUE CHAMPIONS TRAIN IN ADELAIDE

Back to back J-League champions, Yokohama Marinos selected Adelaide as their pre season Training Camp destination.

The team consisting of 50 players and officials arrived in Adelaide on Thursday 27th January for their short but intensive 6 day camp.

While this was the first time Yokohama graced our shores, their coach Takeshi Okada is no stranger to Adelaide having been coach of the 1998 Japanese World Cup team which had their final training camp here prior to the France World Cup. That team played the Socceroos at Hindmarsh in February 1998.

When coaching J-League team, Consadole Sapporo, Okada brought that team to Adelaide for their training camps in 2000 and 2001.

Yokohama Marinos earned the title this year by defeating Urawa Red Diamonds in a home and away playoff. Urawa Reds held their camp in Adelaide last year!!

"The promotion of bringing Japanese Teams to Adelaide for their training camps is great exposure for our game, our players and our city. Not only do these camps provide a great opportunity for our clubs and players but adds Economic Benefit to our State like no other sport can" Chairman Tony McEntegart said.

"Since administering these camps we estimate that our Football code has added over \$10m into the States' Economy through the use of our Hotels, and services which the state provides" That does not take into account the "free" showcasing of our city back in Japan. In 2002, J-League Team Tokyo Verdy, a regular visitor to Adelaide held their camp here. They are owned by Nippon television – so impressed were they by our city that Nippon television commissioned a half hour documentary on Adelaide, its climate, industry, wine etc. This documentary was shown all over Japan – just reflecting the "add-ons" activates like this can bring" he said.

Yokohama utilised Marden and Para Hills as their training venues and played two matches at Hindmarsh Soccer Stadium while in Adelaide. The first against Premier League Champions MetroStars on Sunday January 30th – resulted in an 8-2 win for Yokohama. The second match, against the SA State Team, coached by Bugsy Nyskohus on Wednesday February 2 resulted in an 8-0 win for Yokohama.

"We invited Adelaide United to play a match against Yokohama but, understandably, as their season does not kick off until August it was felt that the players would not be prepared for an encounter of this type – maybe next year!" McEntegart said.

be active.

FUTSAL SOUTH AUSTRALIA

The Futsal World Championships which were held recently in Taipei Taiwan, put the game of Futsal once again under the spotlight on SBS Television.

Although the Australian National team the "Futsal Roos" didn't do so well at these Championships, it painted a true picture of where we are at with our Futsal game in this country in terms of class and technique.

No wonder the late Johnny Warren was so passionate about the game of Futsal. John was always preaching about the game and how it should be played across the Country at grass roots level like they do in South America and now many parts of Europe. The Futsal Roos who are all part time players had a tough group against the Futsal Professionals of Brazil, Russia and even struggled against Thailand.

In South Australia, the game of Futsal continued where it left off the year before, more Futsal Clinics were conducted in some Primary and Secondary Schools, introducing the game to students from Year 4 upwards.

From these Clinics, the Junior Futsal Competition at the Campbelltown Leisure Centre attracted over 500 boys and girls to play Futsal from September to December, ending the competition with 18 fantastic and exciting Grand final matches. The Competition was a great success and was enjoyed by all the players, coaches and their parents.

From these competitions, Five State Futsal Teams consisting of Under 11 Boys, 13 Girls, 13 Boys, 14 Boys and Youth Men (under 20) were selected and competed at the 26th National Futsal Championships in Canberra in January. This was the first year that a Girls team from South Australia was represented at these National Futsal Championships.

At the Championships in Canberra the teams were paraded and introduced to the large crowd in attendance at the opening ceremony held at the Australian Institute of Sport. All the teams fared well in their respective groups with four of the teams making it to the quarter finals, and could be classed as being very unlucky not to go all the way. Overall it was a great effort by all the teams considering that Futsal in SA is only played for three months of the year.

Futsal Referees John Greco attending his 5th Tournament and Jonathon Moore attending his first, also officiated at these Championships and both had a successful tournament.

Locally, the Men's Futsal Competition at Magill on Tuesday nights is still going strong and is played all year round, looking for more teams to join and form two Divisions.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. On the left side, there is a vertical strip of yellowed, textured material, possibly a binding or a piece of tape. The paper appears slightly aged or off-white.[illegible]
